

TUTORING: Tutoring takes place every Tuesday after school, from 3:10 - 4:00.

CLUBS: Every Monday is Club Monday! Clubs run from 3:10-4:00. Pickup is in the back pickup lane. Be sure to check grade levels before you sign up.

*Jr. Lego League runs on Mondays *and* Thursdays.

STEAM Art and Design projects

Grades 3-8 Cost \$10 for snacks/supplies

Mr. Brown and Ms. Dorr

We will be creating art from all around the world, from different cultures and parts of the world. We will be learning cultural diversity and what brings people together when and how we create art. We will have to think about the ways we can use what we have and what we can find around us to create art.

Multicultural Music and Dance

Grades 3-8 Cost \$10 for snacks/supplies

Ms. Marela and Ms. Harshman

How does Dance fit with STEM? Let's hear the Rhythm, music, Dance students will learn strategies using various dance forms from different cultures to better understand the people of those cultures. Create costumes and we will investigate musical instruments and practice and present our own Dance number at the Winter Music show (7th and 8th graders will help with dance instruction).

Engineering for Beginners

Grades K-2 Cost \$10 for snacks and supplies

Ms. Mary and Ms. Alysabeth

Students will observe various architectural and engineering elements in structures around the world to inform their building of their own design using various geometric shapes, building blocks and other materials.

National Junior Honor Society

Grades 6-8 (By invitation only)

Ms. Cat and Ms. Bastian

\$10 for snacks and supplies

Students who were initiated into NJHS will be planning and delivering on many community and school service projects. Their goal is to make our world a better place one task at a time. NJHS is taking on more responsibility this year so we can

use the club time after school to make posters, research volunteer opportunities, plan events, etc.

Green Thumb

Greenhouse/Gardening Club

Mrs. Gardner, Ms. Capaldi, and Mrs. Hof

Grades K-8 \$10 for plants and snacks

Come join the students who love to watch food grow. We will combine many growing projects and some healthy snacks that come from their hard work

STEM Projects

Grades 4-5 boys and girls

Ms. Meda and Ms. Monica

Students will research and discover a famous female STEM expert each week. Experiments for each STEM area will be included so you can practice all of your science skills and get ready for Science Olympiad. Fun time guaranteed.

Card and Board Games

Grades 2-5 \$10 for supplies/snacks

Ms. Stiner and Mrs. Snyder

Come to learn fun card games and play board games with your friends. Practice your math skills in many fun ways.

Performance Music/Chorus

Grades 2-8 \$10 for supplies

Ms. Brown and Mr. Pulford

Are you interested in performing in show choir or by playing an instrument with an ensemble? Then this is the club for you.

Junior Lego League and Math Competition

Grades 4-8

Mr. Ford, Mr. Dublin and Mrs. Omer

Cost \$15 for snacks and supplies MONDAYS AND THURSDAYS.

Competitions will be held on Saturdays in Nov and Dec.
